Low	• Full therapy dog training with provider taking place with assessments. • Additional puppy training via two providers in place. • Children will not interact with the dog without supervision. • Ensure all interaction with the school dog is as per the policy. • Additional safety visits from the dogs trust		

Keeping safe when walking the dog	Children	Low	• Dog will always be kept on a lead outside of the office/crate. • Children will not interact with the dog without adult supervision • Children may walk the dog in small groups with a member of staff. The member of staff will always hold the lead. • The member of staff will pick up any excrement and remind children to wash hands when back in school. • The dog will be on a short lead whilst walking around school.	Low	• Full therapy dog training with provider taking place with assessments. • Additional puppy training via two providers in place. • Children will not interact with the dog without supervision. • Ensure all interaction with the school dog is as per the policy. • Additional safety visits from the dogs trust		
Visits to classroom	Children Adults If the school dog visits a classroom, they may become overexcited.	Low	• Full training and socialisation programme taking place through PAWS therapy dog training. • Children will not interact with the dog without adult supervision. • Dog will always be kept on a lead outside of the office/crate. • Safety briefings with children and adults on how to safely interact with the dog. • Dog always approached in the specified way to minimise risk.	Low	• Careful consideration will be given to when the dog can visit classrooms. • Agreed guidelines/procedure discussed with children and staff regularly.		
Hygiene/illness	Children Adults If the dog is unwell then they might interact in a different way.	Low	• Should the dog defecate on the school site a member of staff will clear it up immediately and dispose of it in a safe manner. The area will be sanitised. • Whilst still a puppy this may be inside. This will be fully cleaned immediately and sanitised. • All immunisations and vet checks for the dog will be kept up to date. • The dog will not attend school if she is ill and will have a flexible timetable.	Low	• The dog will be always supervised so excrement can be cleared up immediately. • Disposal of doggy bags in the general waste bin in the carpark away from children. • The dog will be trained from an early age to use the toilet outside.		
Children are scared of the dog.	Children Adults	Low	• Parents have been asked to inform school if their child does not want to be in close contact with the dog. List is kept by office staff.	Low	• Signage to inform all visitors that there is a therapy dog in school.		

			Parents will be offered a programme of support for the child to overcome fear.				
Fire alarm/lock down	The dog may become agitated/scared. School dog may be left in the building during an evacuation.	Low	- School dog will be signed in with Mrs Plant each day. - Fire marshals will be aware of the dogs presence. - The supervising adult will be responsible for getting the school dog to safety.	Low	- Early exposure as a puppy to the fire alarm sound. - School dog to take part in any drills.		
Financial upkeep of the dog	School unable to afford day-to-day cost/medical bills for the dog.	Low	- The dog is the responsibility of Mrs Plant and she is responsible for all of the care and day-to-day costs of the dog including food, equipment and care. - The dog is always the responsibility of Mrs Plant. - Pet Insurance liability insurance is covered under the schools existing RDA policy. - Private pet insurance to cover any vet bills will be provided and paid for by Mrs Plant.	Low			
Running loose	Children Adults	Low	- School dog will be supervised by an adult at all times. - The school dog will be contained at all times either in a room (with signage) or on a lead. - The crate will be used if the dog has to be left alone in the office.	Low	Ensure that staff and children know the procedure to follow if they see the dog unsupervised.		
Destruction of property	The school dog may chew/destroy school materials/resources.	Low	- School dog will be supervised by an adult at all times. - School dogs will be provided with their own chew toys.	Low	- Full therapy dog training with provider taking place with assessments. - Additional puppy training via two providers in place. - Focus in training on distraction techniques.		
Being Fed	Children Adults If children try to interact with the	Low	- No child will be allowed in the dog's contained area whilst they are eating. - Children will not interact with the dog whilst they are eating.	Low	The dog will only require a lunchtime meal whilst they are growing. Once grown their meals will be eaten at		

	dog when they are eating they may respond aggressively				home outside of school hours.		
Use of rewards/treats	Children Adults Could be harmed if the dog is overexcited when food/treats is nearby.	Low	- Treats will only be given to the dog with authorisation and supervision by Mrs Plant. - Children will be shown how to give the dog treats safely - Children and staff wash their hands after interaction with the dog.	Low	- Full therapy dog training with provider taking place with assessments. - Additional puppy training via two providers in place. - Focus in training on taking treats nicely with the command 'gently'.		
School events	Children Adults If the dog gets overwhelmed, they may become boisterous.	Low	- The dog will only attend school events if they are appropriate. - They will be under the control of a supervising adult at all times.	Low	- Monitor the dogs reaction to school events - If the school events are too overwhelming, the dog will not attend school. - Promote early socialisation and exposure to events when the dog is still a puppy.		
Other dogs (on and off site)	If the dog encounters another dog, they may become boisterous and excited.	Low	- No other dogs will be allowed on the premises. - The dog will not be walked off the school site with children.	Low	Promote early socialisation with other dogs.		

Review Date	Reviewed By	Amendment

Risk Ratings	Example impact (Including but not limited to)
High	Likely to happen and likely to result in the fatality of one or more individuals. Potential for a frequently occurring serious and life threatening injury
Medium	Unlikely to happen but if it did it would certainly result in at least minor illness, injury or equipment damage. Could occasionally result in a serious injury, illness or equipment damage. Although rarely, could result in death or serious and life threatening injuries.
Low	Unlikely to occur but if it does it is likely to result in minor illness, injury or equipment damage and could, but is unlikely to, result in a significant injury, illness or equipment damage with over 3 days absence
