

Why are Humans not like Tigers?

As Gymnasts we can...

- Make my body curled, tense, stretched and relaxed.
- Control my body when travelling and balancing.
- Copy sequences and repeat them.
- Roll, curl, travel and balance in different ways.
- Copy actions.
- Repeat actions and skills.
- Move with control and care.
- Use equipment safely.
- Talk about what they have done
- Describe what other people did?
- Describe how their body feels before, during and after an activity

Hooks for learning:

Visit from the Dog's Trust
Jungle/Vet environment
Tiger themed tea party
'VET' role play

As Artists we can...

- ✓ Use pencils to create lines of different thickness in drawings
- ✓ Create a repeating pattern
- ✓ Describe what I can see
- ✓ Ask questions about pieces of art

As Geographers we can...

- ✓ Explain how the weather changes throughout the year and name the seasons.

As Computer users we can...

- ✓ Use technology safely.
- ✓ Record and store data.
- ✓ Send and receive an email
- ✓ Code using Daisy Dino

As Designers we can:

- ✓ Use my own ideas to create a product/model
- ✓ Describe how something works
- ✓ Explain to someone else how I want to make my product/model
- ✓ Choose appropriate resources and tools.
- ✓ Make a simple plan before making
- ✓ Make a product which moves
- ✓ Create a Mother's day card using different techniques.
- ✓ Evaluate my own work

As Scientists we can...

- ✓ Name a variety of animals
- ✓ Classify and name animals by what they eat including herbivores, carnivores and omnivores.
- ✓ Sort animals into categories
- ✓ Name the parts of the human body that I can see
- ✓ Link the correct part of the human body to each sense

As Musicians we can...

- ✓ Identify pulse, rhythm and pitch in different styles of music
- ✓ Create improvised music using tuned and un-tuned instruments
- ✓ Create a simple melody using one or two notes
- ✓ Listen to some different styles of Latin music and say which I prefer
