

Where in the world could a hot air balloon take you?

As Historians and Geographers we can...

- Use words and phrases like: before, after, past, present, then and now.
- Recount the life of someone famous from Britain (Mary Ellis) who lived in the past.
- Compare and contrast the lives of people in the past.
- Answer questions using books and the internet.
- Order events on a timeline.
- Research the life of a famous person from the past using different sources of evidence
- Explain how some people have helped us to have better lives
- Name and locate the continents of the world on a map
- Name and locate the world oceans on a map
- Find where I live on a map of the United Kingdom.
- Describe a route using compass directions.

As a sports person we can...

- Change rhythm, speed, level and direction in my dance.
- Dance with control and coordination.
- Make a sequence by linking sections together.
- Use dance to show a mood or feeling.
- Talk about what is different from what I did and someone else did.
- Follow rules.
- Work on my own and with a partner.

Hooks for Learning:

Airport Runway trip, aeroplane parts, paper aeroplane making, stuck items in the tree, visit from a Grandparent

As Designers we can...

- Think of an idea and plan what to do next
- Select tools and materials and say why I have chosen them
- Join materials in different ways and explain what went well
- Evaluate my product

As Scientists we can...

- Carry out simple tests
- Suggest what we have found out
- Use simple data to answer questions
- Suggest why a material might or might not be used for a specific job.

As a computer user we can...

- Understand that algorithms are used on digital devices
- Understand that programs require precise instructions
- Use a range of instructions (e.g. direction, angles, turns)
- Test and amend a set of instructions
- Find errors and amend (debug)
- Write a simple program and test it
- Predict what the outcome of a simple program will be (logical reasoning)
- Navigate the web to complete simple searches
- Have the knowledge, understanding and skills required to communicate with others on the internet safely and send an email safely.

As musicians we can...

- Sing and follow a melody
- Perform a simple rap
- Sing or clap increasing and decreasing tempo
- Improvise in parts of a song
- Make connections between notations and musical sounds
- Perform in front of an audience
